Dear: Pastor Angelo Williams

On behalf of BerhanYehun we would like thank You for generous support. I would like to thank God for your kindness in responding to our request with a compassionate heart as we ask for the rebuilding of Wondwosen and Emmanuel's family. Therefore, I would like to thank you once again in this letter for confirming that we have received another 33,000 birr/798.83USD for the reconstruction of this burnt house.

Sincerely
